 Howard University -<http://www.cpnahs.howard.edu/Pharmacy/program4.html>
 Florida A& M University - <http://pharmacy.famu.edu/exdoc.asp>

III. U.S. Colleges and Schools of Pharmacy

<http://www.aacp.org/issi/membership/schools.asp?action=view&TRACKID=&wh=A&CID=593&DID=4224>

IV. Public Health Training: Public Health Training Opportunities

<http://www.cdc.gov/phtrain>

Through the CDC public health training skills development programs, you could: Provide public health and CDC workforce workshops. Coordinate extramural training activities and workshops. "Beef-up" your training skills.

CDC International Experience Technical Assistance Program

<http://www.cdc.gov/nchstp/od/faso/ieta/>

The International Experience and Technical Assistance (IETA) Program is coordinated by the Financial & Administrative Services Office of the National Center for HIV, STD, and TB Prevention (NCHSTP), at the Centers for Disease Control and Prevention (CDC) in Atlanta, Georgia. IETA is a developmental training program for Federal public health employees.

IETA combines classroom training with field experience offering qualified public health professionals the opportunity to enhance their skills and apply them in an international public health setting.

Epidemic Intelligence Service (EIS) Program

<http://www.cdc.gov/niosh/eis.html>

Through the Epidemic Intelligence Service (EIS) program of the CDC, NIOSH trains health professionals in the principles and practice of occupational safety and health. During their two-year experience, NIOSH EIS officers will not only gain knowledge of occupational safety and health, but will also gain unique expertise in applied occupational epidemiology.
